

FUELS OF THE FUTURE

18th International Conference on Renewable Mobility

18. – 22. January 2021, 5 days with 15 online-sessions,
daily 9:00 hours – 17:30 hours, CET

www.fuels-of-the-future.com

DIGITAL &
INTERNATIONALLY
NETWORKED!

„Fuels of the Future“ is the leading event of the European biofuel industry and at the same time an important discussion forum for the German, European and international development of renewable mobility. In January 2021 – this time at the digital trade conference – expected to include representatives from the raw materials collection and processing, the biofuel, mineral oil and automotive industries, the chemical industry, the certification systems and from politics, science and research.

Main discussion topics

- Renewable mobility
- Climate protection policy
- Biodiesel and bioethanol
- E-fuels and biomethane
- EU regulation and national laws
- Biofuels for shipping and aviation

Participation fee:

750 € (early bird rate until 30 Nov: 570 €), discount for members (370 €),
ministries (270 €), students (70 €), free access for press

(Online-Participation in all 5 event days or 15 sessions included. All prices plus the legally valid VAT.)
